Questions?
 Our staff
 will be pleased
 to assist!

1. Amazement Gallery – Discovery Museum wants to amaze visitors, make them curious, raise questions. So, they can explore for answers to those questions. Just like scientists do. And every question raises new questions. The Amazement Gallery is the starting point of your exploration.

2. Time-travel – Start your journey of discovery around Discovery Museum here! Take a seat in one of the gondolas, which come to life when the film starts.

3. Treasury – The Treasury is the open depot. Here, the stars of our collection tell their story.

4. Expedition – Go on a quest! Experiment, find the answers and uncover new questions. Discover your journey to the future!

5. Science theatre – Be amazed, discover, laugh, and even lend a hand: welcome to the Science Show!

6. Science labs – Discover your inner engineer or scientist. Piece together a brilliant, technical creation. You can take the result home with you!

7. Changing exhibition – Discover here the latest, temporary exhibition on a thought-provoking subject!

8. Earth Theatre – Take a mind-blowing look at the earth and experience the overview effect.
